3. Read the following passage carefully and answer the following questions : 20

Justice is an attribute of human conduct-law, as a means of social engineering, is to remedy existing imbalances as a vehicle to establish an egalitarian social order in a socialist secular republic Bharat. Our religion says that, "Let all be happy and healthy, let all be blessed with happiness and let none be unhappy." The social welfare is the organized system of social service and institutions are designed to aid individuals and groups to attain specified standard of life and health and personal and social relationships which permit them to develop their full capacities and to promote their well-being in harmony with the needs of their families and the community. Economic and social equality is a facet of liberty without which meaningful life would be hollow & a mirage.

- (1) Give appropriate title to the above passage.
- (2) What is mean by Social Welfare ?
- (3) Is law is a remedy to existing imbalances in society ?
- (4) What is need for meaningful life ?

4. Translate the following passage into **Gujarati** or **Hindi** :

I am the child. All the world waits for my coming. All the earth watches with interest to see what I shall become. Civilization hangs in the balance for what I am, the world of tomorrow will be. I am the child; you hold in your hand my destiny. You determine largely whether I shall succeed or fail. Give me I pray you, these things that make for happiness, train me, I beg you that I may be a blessing to the world. I am the future of any society and in turn I shape the world's future. I am an important component of the social structure and the potential future careers of the culture.
